# PHYSICIAN'S GOOD LUCK.

Dr. Hart's Fortunate Experience of Special Interest to Many in Barre.

The happiest man in New England today and one who is receiving congratulations from his friends, is Dr. Philip Z. Hart of Laconia, N. H.

Probably no physician is better known in all parts of the United States than Dr. Hart, as he has been a great traveler and knows the best people wherever he has been. For years he has suffered with cataract in its worst form.

Although he resorted to the latest scientific treatment, and consulted many of his brother physicians, Dr. Hart finally said: "I might just as well have thrown my money into the river, for I grew worse and worse. It is really due to my wife's good judgment that I tried Hyomei." The doctor, in his emphatic way, added: "Thank God that I did, for Hyomei cured me completely. My wife and I will swear that Hyomei cured me of the worst case of cataract that ever existed. I used to cough constantly at night, and had a dropping in the throat, which kept me awake a great deal. I raised thick phlegm and was in a horrible condition. However, I am entirely cured, solely through the use of Hyomei."

Rickett & Wells are the local agents for Hyomei, the famous treatment which cures cataract without stomach dosing. A complete outfit costs but \$1.00, extra bottles 50c. They sell it under guarantee to refund the money if it does not give quick relief. Ask them to show you the strong guarantee under which it is sold.

## Local Dealers Turned Down.

Burlington, Oct. 4.—The mayor will purchase coal for the city departments, a resolution to that effect having been passed at the meeting of the board of aldermen last night. A similar motion was lost at a meeting last week of a tie vote. The change in the vote was brought about by the attendance of aldermen who were absent last week.

## Wanted At Once.

Segel & Brady want all the good citizens of Barre and vicinity as well as all other out of town friends to come in and see the largest stock of men's and boys' fall and winter clothing, shoes, furnishings goods and rubber goods to be found in the state. We are getting ready for the biggest and most important fall clothing sale ever inaugurated under one roof and it's all owing to our large purchase made in Burlington last week. Watch for further particulars. Do not buy until we start up our big sale.
